BELONGING

The next set of prompts helps you to answer, "TO WHAT EXTENT DO YOU FEEL LIKE YOU BELONG AT HILLCREST HIGH SCHOOL?" There are varying degrees feeling like you belong, so this next set of questions will attempt to explore that concept.

For the purpose of this survey, let's make a simple DEFINITION OF BELONGING: WHEN YOU MOVE FROM FEELING LIKE YOU'RE "OUTSIDE THE GROUP" TO FEELING LIKE YOU'RE "INSIDE THE GROUP."

I want to get a sense of when your experience shifted from feeling like an outsider to feeling like you belong here. Now, if that is NOT your experience, then I want to hear about that too.

4. When you first started attending Hillcrest High School, to what degree did you feel like an "Outsider?" What were your thoughts and experiences at that time? (Give a 3-5 sentence description of your experience in those first few weeks/months). *

5. At what point did you realize that others were sharing a similar experience to you? (Give a 3-5 sentence description of your experience at that time). *

If you feel that this question, the way it's worded, does not apply to you, then please explain why.

6. When you started to feel like you belonged at Hillcrest High School, what changed about your behavior, involvement in school activities, and participation in your academic classes? (Give a 3-5 sentence description of your experience). *

If you feel that this question, the way it's worded, does not apply to you, then please explain why.

7. Since you are an expert at moving from "feeling on the outside" to "feeling like you belong" at Hillcrest, HOW WOULD YOU ADVISE INCOMING STUDENTS about what to EXPECT and what to DO? *

If you feel that this question, the way it's worded, does not apply to you, then please explain why.
